Report on Mentoring Session

Mentoring system is introduced in the institution with the sole purpose of catering to the needs of the students in the academic as well as their personal level.

Jeevandeep Law College has organized a Mentoring session on 8th January, 2019 from 11:30 am onwards. During this session some of the senior students had given brief introduction so as to facilitate rapport building among the participants.

Senior mentor students had provided an overview of the legal studies and highlighted the key subjects on which they are supposed to focus and provided them with many tips so that junior students can easily prepare themselves for their upcoming semesters. Mentor students had shared their insights and experiences about how to do preparation for the exams, how to prepare their own last minute revision notes which will help them to go through during the exams.

Mentors had given assurance to the mentees that the respective faculty members are putting their best efforts for guiding the mentees.

Mentoring system in the institution has provided support to the students through advice and counseling. Thus mentoring expands beyond teaching to advancement in the educational and personal growth of the mentee

Report on Mentoring Session

A mentorship program which was organized on 12th September, 2019 at Jeevandeep Law college is a structured and organized initiative that facilitates the pairing of experienced individuals (mentors) with less experienced ones (mentees) to provide guidance, support, and knowledge transfer.

Jeevandeep Law College has conducted mentoring session for the development of the students. During this session students were divided into various groups depending on the marks scored by them and accordingly mentor students had conducted various activities like debate, question – answer session etc which will help the mentee students to know about their mistakes and weakness.

Major issues which were raised by the mentee students were solved by the Mentor students viz

1. How to cope up with anxiety of not being able to attend regular lectures
2. How to complete daily tasks so as to avoid accumulation of portion during exam time
3. How to prepare self-notes which will help to go through during exam times

Mentor – Mentee concepts were explained to all mentees and they were asked to contact their mentor students in case of any difficulty faced by them, they were made aware about what benefits they will be getting through this mentoring session.

Thus through mentoring session students got benefitted and it proved to be beyond teaching advancement in the educational and personal growth of the mentee

Report on Doubt Solving Session

Doubt Solving Session was organized on 9th November, 2022 which aimed to provide a platform to the students to clarify questions or uncertainties they had regarding a particular subject and topics.

The doubt-solving session began with a brief introduction by the faculty, outlining the purpose and format of the session. Students were encouraged to actively engage and present their doubts or questions they had.

A doubt-clearing session saves a lot of time for a student by providing clarity on concepts, sections and so on. It is a great way to learn detailed concepts, shortcuts, and tricks for approaching a specific concept and sections.

Thus doubt solving session proved to be the valuable platform for students to clarify doubts, deepen understanding, and foster collaborative learning

Student Mentoring Session

Student Mentoring sessions between students and academic advisors or mentors provide personalized support and guidance that can significantly enhance a student's academic and personal development. One-to-one sessions allow for personalized feedback and provide areas for improvement.

Objective of the Session:

- Provide personalized academic support and guidance.
- Address specific concerns or challenges the student is facing.
- Discuss career aspirations and professional development.
- Review and provide feedback on academic progress and performance.

How Student Mentoring session is beneficial for students

- Brief overview of objectives.
- Establishing a comfortable environment for discussion.
- Discussion of current grades and coursework.
- Identification of strengths and areas for improvement.
- Exploration of career interests and aspirations.
- Setting academic and career goals.

Thus this session provides valuable insights into the students academic and career development needs. The students feel more comfortable with their senior colleagues thus creating friendly environment which in turn helps students to get more clarity on the complex topics and concepts. They can get proper guidance on how to write exams through their seniors experience.
