THE DETAILS OF MOOT COURT:

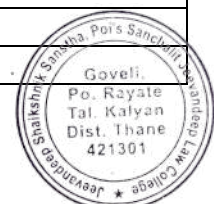

The **Jeevandeep Law College, Goveli** has Moot Court facility within a college campus serves as a cornerstone for legal education, offering students a platform to hone their advocacy skills, simulate real-world legal scenarios, and cultivate a deeper understanding of the law. This draft outlines a comprehensive strategy to enhance the Moot Court facility, ensuring it aligns with the evolving needs of legal education and provides students with an immersive learning experience. Legal education is not merely confined to textbooks and lectures; it thrives on practical application and experiential learning. One quintessential aspect of legal training is moot court competitions, which simulate courtroom proceedings and provide students with a platform to hone their advocacy skills. However, the effectiveness of moot court programs often hinges on the availability and quality of dedicated facilities. Hence, the establishment of a college moot court facility is not just an amenity but a necessity for enriching legal education.

Report on Moot Court Competition

The Moot Court Competition held on 5th June, 2019 was an engaging and intellectually stimulating event where students showcased their advocacy skills in court room environment. The competition was structured to stimulate a real appellate court proceeding, with teams arguing both sides of hypothetical legal case.

The competition comprised several rounds including preliminary rounds, semi final and final round. Each team was required to prepare written submission (Memorial) and delivered oral arguments before panel of judges composed of legal professional and academics. Judges evaluated the team based on criteria such as legal analysis and clarity of argument.

At the conclusion of the competition, awards were presented to the teams and individuals who excelled in various categories including Best Memorial, overall team performance. Thus, Moot Court Competition proved to be a platform where participants showcased their advocacy skills.

Report on Moot Court Competition

The Moot Court Competition held on 4th May, 2023 which proved to be a stimulating event where students showcased their advocacy skills. The Moot Court Competition was structured to stimulate real court room experience where teams argued hypothetical legal cases.

The report detailed about the proceedings, participant performances and the overall impact of the event on the participants and audience. This competition had several rounds starting with preliminary rounds and culminating in a final round that showcased the team's advocacy skills.

Teams prepared written submissions (memorials) and presented oral arguments before a panel of judges comprising legal professionals and academics. Each team had argued both sides of the case during different rounds. Oral presentations were marked by clear articulation of arguments.

Awards were presented to recognize outstanding performances including Best Memorial and overall best team. These awards not only acknowledged individual and team achievements but also motivated participants to strive for excellence in legal advocacy.
