### REPORT ON CELEBRATION OF BLACK AND WHITE DAY

**Title: Black and White Day**

**Venue: Jeevandeep Law College, Goveli**

#### **REPORT:-**

Jeevandeep Law College, Goveli organized Black and White Day on 22<sup>nd</sup> December, 2021 at 10:00 am. Can you imagine a coin that has a head but no tail? Perhaps no, each opposite gives a meaning to another. If we take colours as an example then the black colour indicates confidence, determination and exhibits a sense of courage that is unmatched. On the other hand, white colour associated with calmness and serenity. Black is visually heavy. Its means very strong. Black is the most common association with power, authority and strength. White is directly linked to that which is righteous, good and peaceful.

Black and White Day celebrated in our college with a fun and festive way to pull out the power of creativity of the students and to give them a perspective to see the things differently. On this day the students as well as teachers were dressed in black and white colour, to create an unique, creative and stylish atmosphere. Despite the theme being black and white and students were in monochrome shades, their liveliness and style statements made the campus happy and vibrant.
