## Report - Action Taken on the Feedback

### Analysis Academic Year 2022-2023

The College gathered feedback from students (LL.B.), teachers, advocates and alumni.

Data from the Feedbacks sought have been analyzed and the suggestions put forth by them have been researched, discussed and needful action undertaken as follows.

The year 2022-2023, saw a huge demand for skilled law graduates under the guidelines and guidance of the Bar Council of India. Law and knowledge of law, in varying degree, is imperative in all aspects of life. Its some time that introduction to some core law subjects is part of even high school syllabus. It is therefore that the college is determined to undertake positive action to improve and establish the syllabus as recommended by Mumbai University and the process of its delivery as is evident from this report on the action taken after analyzing the feedback data.

Suggestions received have a greater concern towards making the syllabus in tune with current trends and requirements.

Based upon the analyzed data, the college dedicated to pursue the following initiatives in the upcoming academic year.

#### SUMMARY OF FEEDBACK AND ACTION TAKEN IN PURSUANCE OF FEEDBACK

Stakeholders /Participants	Feedback & suggestions	Analysis	Action Taken Report
Students(LL.B.)	Predominantly positive response towards the current syllabus.	Provide greater opportunity to understand practical aspects of law	Planned and undertaken seminars, workshops on subjects like women empowerment, ADR, cyber laws,

	Though no particular suggestions were encountered it is evident that the practical training, mentoring sessions, definitely enhance their potential.	Inculcate reading of recommended references for better understanding	human rights to understand the core subjects in depth.  Field visit to Supreme Court.
Teachers	Focus on widening of exposure to Practical aspects of Law to ease the gap between academics and practice.	There is a need for Greater emphasis on case study based subject teaching that can encompass application of various laws.	Apart from regular lectures the College conducted several online events for the convenience of all stakeholders, which events include webinars and other programs that boosted value-addition to the course and syllabus.  Field visit to Supreme Court for students to be accompanied by teachers as well.
Advocates	Positive Response holistically. Not much of suggestions other than	On analysis of the advocates' feedback, it is evident that strides have to be made on	Internship permissions and execution of the same undertaken along with visits to Jail, Police Station.

	the template	encompassing practical training, alternate dispute resolution systems and process of Courts.	
--	--------------	--	--

**Conclusion:** The analysis of the feedback data on curriculum enabled the college to plan and execute various facets of teaching including regular subject lectures so that each such effort empowers the students to grow and remain adept in their field of education.
